Neurolaryngology Workshop

Visual vs. Electrophysiological
Diagnostics

6th – 7th November 2025

Program:

Thursday, 6th November 2025

09:30	Registration, Location: Dornburger Straße 23a, 07743 Jena
10:00 – 13:30	Repetition of EMG Basics, Forarm + Facial muscles on each other <i>Doreen Fialho, Gerd Fabian Volk</i>
13:30 – 14:00	Break and Lunch
14:00 – 16:00	Practical Laryngeal EMG course: <i>Moderator: Gerd Fabian Volk</i> Instruction, Master Demonstration, hands-on (phantoms and/or each other) TA-EMG PCA-EMG CT-EMG <i>Doreen Fialho, Berit Schneider-Stickler, Gerhard Förster, Fabian Burk, Gerd Fabian Volk, Kathleen Klinge, Shiyong Hey</i>
16:00 – 16:15	Break
16:15 – 16:15	(hybrid) Visual Laryngology vs. LEMG vs. Neurostimulation <i>Moderator: Berit Schneider-Stickler & Andreas H. Mueller</i>
16:20 – 16:35	Visual Neurolaryngology <i>James Thomas</i>
16:35 – 16:50	What do we need laryngeal EMG for? <i>Gerhard Förster</i>
16:50 – 17:05	Neurostimulation with the ECE50 – an all-in-one test? <i>Matthias Leonhard</i>
17:05 – 18:30	Pro and Cons: Visual vs. electrophysiological diagnostics in muscle-specific RLNP involvement: discussed in case presentations
18:30 – 19:00	Conclusions and Outlook
19:30	Get-together-dinner downtown for on-site participants

Friday, 7th November 2025

08:00	Location: Dornburger Straße 23a, 07743 Jena
08:00 – 08:30	change clothes, safety instructions for animal facility
08:30 – 12:00	Hands-on workshop on living pigs and excised larynges » TA, LCA, PCA, CT needle insertion/ injection/augmentation » Thyroplasty training, VOIS-implant instruction » Evoked EMG, laryngeal ultrasound training » Endoscopic surface stimulation of vocal fold abduction and arytenoid mobility test with the ECE-50 set » Demonstration of LP hotspot detection
12:00 – 13:00	Break and lunch
13:00 – 15:00	Repetition of hands-on L-EMG » on a computerized phantom » as well as on each other » navigated laryngeal ultrasound
15:00 – 16:00	Feedback and Farewell Meeting of the Working Group on Neurolaryngology of the ELS

Organization: ENT-Department, Center for Rare Diseases, University Hospital Jena and ENT-Department, SRH Wald-Klinikum, Gera, Germany

Locations: Dornburger Straße 23a, 07743 Jena
